

TO: The Honorable Robert E. Gauthier.

In re of Case # 09-50026

On the 10<sup>th</sup> of June 2011 the court received a request of mine for relief from the automatic stay docket #10445. ~~stating that~~ in addition to that request

On June 18<sup>th</sup> of 2011 the defendants/debtors were ordered by the 10<sup>th</sup> Circuit Court of appeals to submit a status report regarding ~~the~~ <sup>their</sup> current status of their bankruptcy with this court. On the 28<sup>th</sup> day of June 2011 the debtors/defendants forwarded a reply to the order of the 10<sup>th</sup> Circuit Court of appeals to submit a status report regarding case #08-3236 to the 10<sup>th</sup> Circuit Court of appeals. <sup>on 6-27-11</sup> In the report the debtors/defendants state that the only liability for my case was for MLC or old GM and not new GM (in fact they claim that new GM assumed certain liability but not for discriminating as such is my case, in the 10<sup>th</sup> Circuit case #08-3236 ~~however~~ because I am and was covered by the U.A.W. bargaining agreement at the time

2004  
of my employment with GM but as of January of 2006 I was no longer employed with GM. ~~nor was I~~ I represented by the U.A.W. in any way before and after GM terminated my employment even at my request of them to do so.

I of my own filed my unemployment claim that was approved in the state of Kansas of which in ~~their~~ findings were that the reasons for the termination of my employment were of no fault of my own and allowed me to draw full benefits until they had exhausted in August of 2006 ~~(also cited in my civil)~~ (see unemployment claim for Lisa Gross filed in the State of Kansas January 24, 2006)

I also of my own filed charges against them with E.E.O.C and later filed civil suit against them in the Western district of Kansas with no representation from the U.A.W. and on my own and later with the 10th circuit court of appeals also on my own. The case in the 10th circuit Court of Appeals was filed in August of 2008 which was 10 months prior to the debtors filing bankruptcy in your court

Your Honor I pray that you will take this letter into consideration when deciding on my request for relief from the automatic stay because I not only believe that the acts against me by the debtors/defendants were ~~not~~ unlawful, malicious, intentional (with the intent to cause me great harm) but were fraudulent and the 10th Circuit cannot give a ruling unless the stay imposed is lifted in its entirety in order for them to establish ~~that~~ <sup>those</sup> facts.

Respectfully submitted Lisa P. Gross.
